

Veneer Warranty

Verve Veneer warrants to the original purchaser only, that for a period of 7 years from the date of purchase any veneer board supplied will be free from manufacturing defects. This includes defects as a result of poor workmanship or defective materials such as; delamination of the veneer, veneer splits or separation, excessive distorting and bow. Verve Veneer will, at its discretion, repair or replace any veneered board without charge if it is defective directly as a result of its manufacture process during the first 7 years after initial purchase.

The product must be handled, installed, finished, and maintained in adherence with product-relevant documentation provided on the Verve Veneer website. Goods must be inspected by the customer upon receipt for any visible defect, with Verve notified of any issue within 14 days of receipt of goods.
